

REMARKS

In response to the Office Action dated January 7, 2005, having a two-month response period set to expire on March 7, 2005, Applicant provides the present Response.

In the Office Action, the Examiner indicated that claims 1-22 are allowable. Applicant is appreciative of the Examiner's approval of the claims. The Examiner did object to the specification as failing to provide proper antecedent basis for the subject matter claimed in claims 6 and 10. In order to facilitate allowance of the present application, Applicant has cancelled claims 6 and 10.

Applicant has amended Paragraph [0005] of the specification to correct a typographical error in the application as filed. Specifically, reference to U.S. Patent No. 3,382,014 was incorrectly printed as U.S. Patent No. 3,302,014. Applicant submits that no new matter has been added by this amendment.

Applicant also encloses herewith corrected drawings in compliance with 37 C.F.R. § 1.121(d) as required by the Examiner.

In view of the above, Applicant submits that all outstanding objections made by the Examiner have been addressed. Accordingly, Applicant requests that the present application be passed on to allowance. Applicant does not believe any fee is due with this Response. Please charge any deficiency in fees that may be associated with this Response or any other required fees to Deposit Account No. 13-0235.

Respectfully submitted,

By
